The Sportsman's Prayer

Dear Lord:
In the Battle that goes on through life
We ask but a field that is fair,
A chance that is equal with all in
the strife
The courage to strive and to dare.
If we should win let it be by the code
With our faith and our honor held high,
But if we lose, let us stand
by the road
And cheer as the winners go by.

And We Wish To Dedicate

No one person has put so much into Westwood High as has our principal. No one person has put in so much of his time, his wisdom, his heart, his love, his good judgement, his sense of humor, his years of experience, and above all, himself, as this man has. When the Board of Education, back in the year 1961, decided to select Mr. Brimhall to assume the duties as head of the new high school they didn't just "pick a name out of a hat"—they knew that they were getting the best—a native born Arizonian, a person educated entirely in Arizona schools, a person who had served as an administrator in the Mesa Schools since 1934.

After the appointment was announced, the complex duties necessary to put WHS into operation were assumed by Mr. Brimhall. He put the machinery in motion to choose the best teachers and to get the best equipment necessary for the best student body, so that this would become the leading high school in the State.

His success as the principal cannot be measured solely by his years of education or his forty years experience; much of it must be attributed to Mr. Brimhall, the man. He possesses many fine qualities which are necessary in one who must work with so many students, teachers, parents and the general public. Possibly his most enduring trait, is that he has the ability to listen, and to understand the whole story or situation—he can see and know the other fellow's point of view, and make all of his decisions, accordingly. It is seldom that anyone leaves Mr. Brimhall's office feeling that he did not get a fair deal. His sense of humor has been a saving grace during these forty years. He can laugh at and with other people, and always, at himself.

We the students at Westwood consider ourselves extremely fortunate to have Mr. Brimhall as our principal.

Student Council

Student Government Plays Important Role At Westwood

Student Government played an important role in the organization of Westwood. Representing the Associated Students of Westwood was the student council. It was their responsibility to direct all school activities.

The student council consisted of the four executive officers, the class officers, and the presidents of Boys' and Girls' leagues. Other members were the nine committee directors and the foreign exchange student, Raffaele Reda. The student council advisors were Mr. Pat Pomeroy and Mr. Gary Clendenny.

Leading Westwood's student government were the executive officers. Bob Coester served as Student Body President and Russ Kolsrud was the vice-president. Serving as the Recording Secretary was Mary Ann Arnett. The Corresponding Secretary-Treasurer was Liz Willis.

The Student Body President, presided over the student council meetings and student assemblies. It was his duty to co-operate with the faculty and school administration. He also helped maintain good relations with other schools.

Student body Officers: Vice-President, Russ Kolsrud, Recording Secretary, Mary Ann Arnett, Corresponding Secretary- Treasurer, Elizabeth Willis.

Committees Strive to Maintain

Rallies And Traditions

The Rallies and Traditions Committee main duties were to promote school traditions, spirit and ideals. The committee was also in charge of pep rallies, organized cheering and color day and student awards. They helped to boost school spirit in many ways. There were many events and activities which came under the committee's jurisdiction. The first of these was the pep rally held the night before the first football game. It started with a parade through downtown and ended with a skit held at the football field.

The committee assisted the band and homecoming royalty in presenting an exciting half time show for the returning alumni.

Next was the Warrior Pow Wow held before the Mesa-Westwood game. The Rallies and Traditions Committee organized this class competition event.

The committee was also responsible for Teacher Appreciation Week and Cafeteria and Grounds Appreciation Week.

Citizenship

To promote higher patriotic standards toward the country and school were of primary importance to the Citizenship Committee. Every Monday morning The Citizenship Director led the entire student body in the Pledge of Allegiance.

Year long campaigns against litter and poor assembly conduct were also carried out by the committee. One of the foremost concerns of the Committee was the New Students Program. Each month the student council sponsored a party for all new students who had entered Westwood during the previous month. These parties helped the new students to adjust to WHS. The planning and giving of these parties was the responsibility of this committee.

The Citizenship Committee also worked with the codes of dress and behavior. A main goal of the committee was to make the entire student body aware of these rules.

Community Special Services

A sophomore was elected at the beginning of the school year to hold the office of Community Special Service Director. The director was the student council's link with the community. Any project or problem with which Westwood was associated with the community was her responsibility.

The director's first job was to choose a committee to assist her during the year. The committee included four sophomores, two juniors, and one senior. These students were chosen because they were dependable, responsible, and enthusiastic. After choosing the members of her committee, the director obtained the student council's approval.

The regular duty of the director was to nominate candidates for Citizen of the Month. Each month a citizen of Mesa was honored for outstanding work done in the community. The director also worked on charitable projects.

During October the committee prepared an activity calendar. All dates for coming events were assigned and students were nominated to appear on the calendar representing the various months of the year.

Both the Community and School Special Service Directors served on student council.

School Special Services

The School Special Services Director was a sophomore elected at the beginning of the school year. The director was the student council's jack-of-all-trades. Any odd jobs or errands the student council needed to have accomplished around Westwood were assigned to the school director. This office has traditionally carried with it the responsibility of the activity calendars, fire drills, the motion box, and council library displays.

The primary responsibility of the director was to choose a committee consisting of four members. These individuals were chosen because of their responsibility, dependability, and enthusiasm. After choosing the members of her committee, the director obtained the approval of the student council.

The regular duty of the director was to nominate candidates for Students of the Month. Each month a boy and girl were elected who had done outstanding work for the school.

When an individual or organization brought honor to Westwood, it was the school director's responsibility to raise the honor banner. The director also announced the honored students names over the public address system to inform the entire student body of their accomplishments.

Cultural Affairs

The Cultural Affairs Committee was in charge of all the school assemblies this year. It was their duty to plan and schedule the assemblies. In order to please all the students, the committee tried to schedule a large variety of assemblies. Two of the more complicated assemblies the Cultural Affairs Committee was responsible for were the Homecoming Assembly and the talent assembly. The committee decided the dates of the class plays and the order in which they would present them. It was their duty to see that all the rules for the class plays were followed and that the judges understood these rules.

Front row, left to right: Debbie White, Carol Steelman, Director. Diane Berquist, Reed Chapman, Janet Tolman, Linda Huffmaster, Rich Jorgensen.

Social Affairs

It was the responsibility of the Social Affairs Committee to plan and organize all student council sponsored dances following football games and those with a significant purpose such as The Hello Party, Homecoming, Cupid's Cotillion and Night on the Town. It was the committee's responsibility to provide entertainment, whether dancing or games, and make arrangements for refreshments and decorations. The committee also planned three all school activities: the Wahu Pahu, Na'Kwachim and the Annual Signing Party. The Social Affairs Committee was of great importance as it provided for much of the social activity on Westwood's Campus.

Elections

The Election Committee was in charge of all student elections. Their purpose was to organize the elections so they would be run fairly and efficiently. Many hours of hard work went into being an efficient member of this committee. Not only did a member have to be dedicated, but also willing to help better Westwood in providing honest and impartial elections. This year the members made up the rules and procedure sheets for the elections. They were responsible for seeing to it all candidates put on the ballot were eligible and qualified. The committee collected and counted ballots and announced winners. The hardest part of all was keeping the names of the winners a secret before official announcement.

Front row, left to right: Terry Helmley, Laurie Tefft, Director. Marilyn Isley, Doug Buckmister, Eric Freestone, Jeri Johnson, Jimmy Backus.

Nanci Strong, Karla Neilson, Lynn Lopresti, Director, Karen Coleman, Karen Godfrey.

Publicity

It was the Publicity Committee's responsibility to raise school spirit for all sport events and other school functions. To boost Warrior spirit for games, the committee would meet early in the week and make large signs. These signs were placed in the halls where they remained until the day of the game. Then they were taken down and put up at the game. The committee also made props publicizing Westwood's various sports. These props were placed on the lawns in the locker area. The Publicity Committee helped the other student council committees by making signs for school parties, club events, and pep rallies. They also made spirit booster badges.

Organizations

The promotion of all club activities was the major responsibility of the Organizations Committee. It was their duty to work with the club officers through the Inter-Club Council and to keep them informed of student affairs. The committee members were asked to encourage the formation of new clubs. They decided if the approval of a new club should be recommended to the student council. The committee was also responsible for all of Westwood's organization.

Thai-Chewee Week was under the direction of the Organization Committee. The purpose of this week was to give students an opportunity to learn more about the clubs offered at Westwood. It also helped to increase membership in the different clubs.

The Organizations Committee was in charge of the "Club of the Year" award. This award was given by the student council to the most outstanding club on the campus. This year the committee set up a point system by which clubs participated for the award.

Boys' and Girls' Leagues

Girls League

The Girls' League was the largest organization on campus. Its membership included every girl enrolled at Westwood High School. The league's work was very successful this year. Projects and activities filled the year for the council, and by working with the girls of Westwood, the members gained a valuable learning experience.

Many activities were held throughout the year. The first big activity was the Daddy Date. On this night the girls invited their Dads to join them for an evening of food, games and entertainment. The league also sponsored a Mother-Daughter Tea to honor the mothers at Mother's Day.

The biggest event of the year was the Coed. This was a semi-formal dance where girls asked that special someone to be their escort for the evening. To set the mood for the dance, there was an entire week of events during Girl ask Boy (G.A.B.) Week.

This year the goal of Girls' League was to unify all girls at Westwood in friendship and spirit.

Girls' League Officers: Cece Bartow, Secretary-Treasurer. Fay Gioque, Vice-President. Loretta Robson, President.

Girls' League members: Carla Neilson, Joyce Ray, Debbie Johnson, Kay Zaharis, Dixie Adams, Susan Dahl, Connie Stewart, Doreen Freestone, Carol Fuhr.

Boys' League Officers: David Cluff, Secretary-Treasurer. Gordon Gunnell, Vice-President. David Stiles, President.

Boys' League

The membership of Boys' League included every boy enrolled at Westwood. Three representatives from each class were selected to be on the league council. The President of the league together with the Student Body President selected these representatives from the student body and submitted them to the student council for approval.

The major project of Boys' League was the Christmas Formal. This year the formal was held in the ASU Memorial Ballroom on December 22. This affair was one of the most outstanding and well attended dances this year.

Selling concessions at all home football and basketball games was another activity of Boys' League. The concessions were sold in conjunction with Girls' League.

The purpose of Boys' League was to promote friendship, and give more boys an opportunity to work and take part in school functions.

Boys' League provides many opportunities, including training in leadership. The members of this years council learned to work with one another in harmony. They also profited by the experiences their jobs provided them.

Foreign Exchange Student Raffaele Reda

W.H.S. Receives Exchange Student From Italy

The Westwood Warriors were honored with the presence of Raffaele Reda, A.F.S. Foreign Exchange Student for the 1966-67 school year.

Raffaele was born in Taino, a small northern city near the Swiss border. His family later moved to Riccione, Italy, where he has since lived. His father is a Warrant Officer in the Air Force, and his mother is a housewife.

Raffaele's trip took about 15 days, including a 10 day voyage on the ship "Seven Seas!." He then boarded a bus in New York and arrived in Mesa on August 8, where he was welcomed by the John Durham family, with whom he lived.

One of the hardest things for Raffaele to become accustomed to, was to stay in school until ten after three, as he was used to going to school six days a week and getting out at twelve-forty-five, at which time the family would have the main meal of the day. He found his classes much easier here, because in Italy, he had as many as twelve subjects a week. The classes were rotated and each day his schedule changed. Some of the more unusual subjects were Italian, philosophy, and chemistry, which included the study of anatomy.

The dating customs were very much different for Raffaele also. In Italy, dating takes place in the afternoon, not the evening.

The talented enchange student was a member of the Westwood High School Orchestra where he was a violinist, an instrument which he has played for four years.

Raffaele also enjoys playing tennis and riding his Vespa motorcycle. When asked what he liked best in America he answered,"I just don't know, there are so many things".

The John Durham Family with exchange student, Raffaele Reda, center back.

Four Students Chosen

El Salvadore students: Marilyn Titcomb, Warren Greene and Peggy Sears.

June 20, 1966 was the date of departure for Marilyn Titcomb, Peggy Sears and Warren Greene, who traveled by train to El Salvadore in Central America. They were the Westwood students who took part in the exchange program sponsored by Alliance for Progress. From the state of Arizona, there were a total of 37 students, who traveled to the Central American State. Each student had a family to which he was assigned to live with in the capital city of San Salvadore.

The students learned of the program through their Spanish classes. Personal interviews were next, and then letters of recommendation had to be obtained.

The dating process in El Salvadore was very different for the students. Teenagers of El Salvadore did not go out without a chaperone or a group of teenagers. There were parties almost every night and many of them were formal.

The group enjoyed trying many new types of food. The meals consisted mainly of rice, beans and fried bananas. A large majority of the schools in El Salvadore were private, and only the very poor went to public schools.

Cold running water was available in all fairly modern homes and many more automobiles than expected were observed by the students. The students returned August 21 on a train seven and a half hours late.

For Programs Abroad

Ken's family in the Netherlands include, left to right: Mrs. Flink, Anje, Mr. Flink. Standing: Eildert, and Harry.

Westwood's first A.F.S. student, Ken Evans, senior class president.

Using the wooden shoes borrowed from his Dutch brother, Ken Evans digs potatoes for his mother.

During the past summer, Ken Evans, Westwood's first American Field Service student had a wonderful experience. He journeyed to the Hendrik Flink family in the small farming community of Kiel Windeweer. Ken remained eight months with this family, of which he was the sixth member. He encountered no language barrier with either of his two brothers, Eildert and Harry, or his sister Anje, for they had all taken English courses in school. However, neither of his parents spoke any English at all. Soon Ken taught them a few English words, and along with the Dutch he had learned from his lessons during his boat trip to the Netherlands, they could communicate enough to get along.

Ken found many of the customs of the Dutch people quite different from those in the United States. One of these was the fact that most people rode bicycles rather than driving cars. He also found the climate to be very different from that of Arizona's.

Even though Ken was glad ro return to the United States and Westwood, he agreed that he would someday like to return to Holland and his adopted family.

Enthusiasm

Eleven men on the field
Five on the court
Nine on the diamond
Thousands in the school
Thousands more in the City.

All of these people come to either participate in or to enjoy the excitement and entertainment offered by the various Westwood High sports teams. Leading all of these people in the roar of enthusiasm which greets the members of the various teams falls upon the shoulders of our six cheerleaders. These girls, under the direction of Louise Wright, spend many hours to develop the skills necessary to lead the crowds in yells, to promote school spirit and to boost team morale. A game, however, is not just action; it is not just pass, dribble, or pitch. There is more—far more. There is the excitement of the pre-game show; there is the pageantry at intermission; there is the mighty demonstration when a winning touchdown is made, a ball goes through the net, or a run is batted in. Much of the colorful drama portrayed is provided by our Warriorettes, headed by co-captains Debby White and Suzanne Hamilton. These twenty-four girls devote three afternoons after school, one class period a day, and at times there are additional practice sessions scheduled, in order that a show which is worthy of Westwood High can be enacted. Both the Cheerleaders and the Warriorettes must be considered an intregal part of our sports program.

Warriors Spell Defeat

From the opening games of the season, it was evident that Westwood was to enjoy one of its finest, and certainly one of its most exciting football seasons. This was evident because of the outstanding passing and blocking of quarterback J. Ray Rokey, the defensive plays of Roger Coyer, the seemingly constant around the end romps into touchdown territory by Bob Soza, and the efforts of the entire team.

Spirit and momentum which are essential for a winning team, began building early in the season with pre-school practices. Although these practices were never thoroughly enjoyed by all, the hard work, time, and co-operation on the part of coaches Ford, Peete, and Gates, as well as the entire team, paid off.

The roads to victory for the 1966 Westwood Varsity football team were many, but they were by no means easy. There were injuries, unexpected plays and other tense moments to cope with, but with their intense spirit and drive, as well as the expert leadership of their coaches and the backing of the entire student body, the Warriors overcame; carrying the blue and orange to many victories.

Soza Scores Record 29 T.D.'s

Bob Soza plows through two Maryvale defenders, as Clark Yancy runs to his assistance.

Bob Soza straight-arms a Coronado defender.

MARYVALE . . . Westwood Warriors were defeated their first game of the season with a 14-13 loss to the non-conference Maryvale Panthers. Midway through the opening quarter, Scott Shumway intercepted a pass and raced 73-yards to paydirt. Then Bob Soza scored on a five yard run in the third quarter, but the extra point kick bounced off the right side of the goalpost, which proved to be the deciding factor of the game.

SCOTTSDALE . . . It was Bob Soza's night on the Beavers field as he ran over, around, and through the Scottsdale line. Soza also carried the ball for three touchdowns of three, twelve, and three yards. The second half was highlighted by one of the most exciting plays of the evening. J. Ray Rokey tossed over the middle to Gary Marshall, who scampered a few yards, and as he was being tackled from behind, turned towards Rokey, and pushed off a lateral. Rokey took the 70-yard pass-lateral combination the rest of the way.

CASA GRANDE . . . After scoring 27 points in the first 10 minutes of play, it was evident that the Warriors were out to skin the Casa Grande Cougars. Bob Soza scored the first two touchdowns on 54 and 63-yard runs. Rob Evans then scored on a five yard run. Rokey then caught a punt on the 25-yard line and raced 75 yards for the fourth touchdown. In the second quarter, Dempsey Ford threw a 12-yard pass to Scott Shumway for a touchdown. After a series of downs worked to the Casa Grande two, John Gomez carried the ball in for a touchdown. The last Warrior touchdown came on a 53-yard pass from Stan McClelland to John Tackett.

FOUR MAKE

CORONADO . . . Running six yards, Soza scored the first touchdown against the Coronado Dons. David Stiles scored the second touchdown on a 12-yard run. By the end of the first quarter the Warriors were leading 13-0. Within a few minutes of the third quarter, Soza scampered 61 yards for his fourth touchdown of the game. The final Warrior touchdown was made by Scott Shumway on a ten-yard pass from J. Ray Rokey. Bob Blake booted his fifth conversion of the game.

YUMA . . . The Warriors fought back from a 12-0 deficit to overcome the Yuma Criminals and make homecoming a successful 35-12 win. The Crim's jumped off to a quick lead as the result of Westwood's fumbles. But the Warriors soon got revenge with the help of Bob Soza. Soza scored the first two touchdowns on runs of six and four yards in the first quarter. In the second quarter he crossed the goal line with a three yard run. Just before halftime, David Stiles took a 34-yard pass from J. Ray Rokey. The final touchdown came in the third quarter on a 50-yard pass from Rokey to David Stapley.

TEMPE . . . J. Ray Rokey opened the game with a 46 yard pass to David Stiles to set up Westwood's first touchdown. Faced with a fourth and seven situation, the Warriors pulled the neatest play of the season. Dempsey Ford faked a punt, and then tossed a pass to John Gomez, who ran it to the 20-yard line, for another touchdown set up. Westwood barely escaped with the win, however, when in the last 45 seconds Tempe recovered an "on side-kick", on the Warrior 45 yard line. Rokey saved the game, by blocking a sure touchdown on the Westwood 10-yard line.

Bill Hipps, No. 36, looks for his blockers, while Rick Taylor, No. 56, obviously has problems of his own.

ALL-STATE

KOFA ... The Kofa Kings were womped by the Westwood Warriors, 35-6. Bob Soza scored the first touchdown against the winless Kofa team on a 60-yard run around right-tackle. In the second quarter, Soza scored again on a 13-yard run. The third touchdown was scored by David Stiles on a 48-yard flat run. For the third time of the night, speedy Bob Soza outran the defense and made a score from 18-yards out. The final touchdown of the evening came on an exciting 60-yard pass-run play from quarterback Stan McClelland to end Gary Marshall. Bob Blake had a perfect night by completing all five of his conversions.

CHANDLER ... Bob Soza rushed down the Chandler field 68-yards for the Warriors' first touchdown of the night. Clark Yancy scored the second touchdown on a 35-yard run. Soza then made two more touchdowns on thrilling runs of 35 and 18-yards. His fourth touchdown of the evening came on a four-yard plunge. Yancy made his second touchdown on a 12-yard run. Bob Blake made good five extra points out of six tries.

MESA ... The first quarter of the game with Westwood's cross town rival, Mesa High, was strictly a defensive battle, since neither team managed to move into pay dirt.

During the second quarter, Bob Blake kicked a field goal for the Warriors, and went into halftime with a narrow 3-0 lead. The third quarter opened with the Warriors kicking off to the Rabbits. After a series of downs, Mesa was forced to punt to Westwood. The Warriors took possession of the ball and on the first play, Soza ran for a 70-yard touchdown. Blake successfully kicked the extra point. Late in the third quarter Soza dashed 48 yards for his twenty-fourth touchdown of the season. Blake kicked his fifth point of the evening. The last touchdown came in a pass from Dempsey Ford to David Stiles who shot through from the four. The extra point failed.

ARCADIA ... The Arcadia Titans scored the first touchdown of the evening on a six-yard run. But, the Warriors soon fought back getting the ball down to the Arcadia three where Bob Soza went over for a touchdown. Later, in the second quarter J. Ray Rokey passed 45-yards to Roger Schmuck who then ran for a touchdown. Speedy Bob Soza then ran 70-yards for his twenty-sixth touchdown of the season. The last of the Warrior score came on an eight-yard pass from Dempsey Ford to Scott Shumway.

Dave Stiles tries to push aside a Maryvale defender, as Clark Yancy comes to his aid.

DIVISION ... Westwood opened the game with two quick touchdowns, and to many, the game looked as if it would be one-sided. Bob Soza scored the first touchdown on a 76-yard run around the right end. When the Warriors got the ball again, on the Panther's 24-yard line, it was moved immediately to the 2-yard line of Maryvale. Soza bolted over for the second and final Westwood touchdown, on the next play. Maryvale evened the score with touchdowns in the third and fourth quarters, and had a chance to win in the closing seconds of the game. A fumble gave the Panthers the ball on the Warrior 22-yard line. Their first field goal attempt went wide, but received a second chance due to a Westwood penalty. But fate was against the Panthers, as their second try also went wide. Westwood was declared the winner and was awarded two points by having gained the most yardage in the 12 play overtime playoff.

STATE ... Putting their best foot forward, the Westwood Warriors gamely tried to win their second Arizona State Football Title, but ran out of time in the closing moments. Tucson's Badgers managed to hold on to a 7-0 lead until early in the third period. Quarterback J. Ray Rokey, who appeared to be trapped, unleashed an unbelievable 31-yard, desperation pass to Roger Schmuck, who carried it to the Badger's two yard line. Westwood's scoring ace, Bob Soza, took it over from there for his 29th touchdown of the season. This bettered the old state record of 22 by seven. The Warriors' strong defense held, until the final 41 seconds, when Tucson slipped a pass into the Westwood end zone. Westwood showed it was still tops, by placing four seniors on the first string of the All-State Team. They were, Bob Soza, a unanimous choice and offensive co-captain, J. Ray Rokey, defensive co-captain, Roger Coyer and Rod Benedict.

Apaches Have Tough Season

Don Stapley hauls in a pass for a 20 yard gain.

Westwood's Apache football team ended the season with a 4-3-2 record. In their first game they tied the Mesa High Rainbows 6-6 at Mesa. Jimmy Soza made the Apaches' first touchdown of the year. In their opening home game, they were victorious over Arcadia 13-7.

The Apaches ended their season successfully with wins over Cortez and Coronado. In their last game of the year they trampled Coronado 27-0 on their home field.

The "Good Guy Award" was presented to David Calvert for his outstanding offensive action. Carlos Arvayo received the "Bad Guy Award" for being the best defensive player on the Apache team.

J.V.'s Post Undefeated Season

For the first time in Westwood's history the Junior Varsity football squad had an undefeated season. The team ended the year with 9-0-1 record.

In the first game of the season, the Jayvees mashed Maryvale 28-7. The first points were scored when quarterback Steve Huish passed to end Stew Hogue for a 13 yard touchdown pass. Roy Munoz sailed 90 yards for the last touchdown of the game.

The blue and orange plunged to a 26-0 win over the Scottsdale Beavers. The entire game was a defensive battle although the Jayvee offense scored first. Rusty McCulla converted a Beaver punt into a 25 yard touchdown run. Mike Edmund ran 35 yards for a touchdown, ending the Warrior scoring.

All the players on the Jayvee team were outstanding, and Steve Huish ended the season with 13 touchdown passes.

HARRIERS HAVE PERFECT SEASON

Paced by the exceptionally fine running of co-captains, Dan Minor, Dale and David Hackitt, Westwood harriers had its first undefeated season, 10-0. The first to test the Warriors' strength was Phoenix Union, who up until that meet had not been defeated for several years. They put up a good fight but Westwood won 24-31. Casa Grande also gave the Warriors tough competition, but fell easily, 21-36. The last meet of the season matched our undefeated Warriors against the previously undefeated Arcadia Titans. It was a close contest right down to the finish line, but Westwood won by nine points. Dale Hackitt proved to be the fastest Warrior, by setting a new course record of 9:42.3.

J.V.'s SHOW GREAT POTENTIAL

Westwood's Junior Varsity Cross Country Team ended the season with a very impressive 7-1 record. Their only defeat came from Phoenix Union, by a scant five points. With Larry Schurz, Steve Lillo and Less Strickland leading the field in most meets, the JayVees had little trouble in disposing of most of their foes. Mesa High School's Jackrabbits proved to be the toughest win for the Warriors, but Westwood managed to come out on the winning end of a 27-29 score.

Brown Takes Second Place

The Westwood wrestling team, led by Coach Haddad slipped from last year's second place finish. Even though the team finished 5th in the division, there were individual highlights. For the second year in a row, senior Freddie Valesquez won the state title for the 95 pound class. Another highlight came from 165 pound Barry Brown who placed second in his weight division.

Other top wrestlers included heavyweight Bandy Bonkoski, Frank Lopez, and Senior Loren Wonderle.

Westwood seems to be noted for having a strong team every year and Coach Haddad hopes next year will be no exception.

Batmen Recover From Opening Loss

After a successful summer in Legion play the members of the varsity baseball squad lost their opener to Mesa High 5-7. The Warriors fell to their opponents after a tight game which ran into two extra innings. Even after loosing the opening game, Coach Harry Goodman felt that the boys may have the best season ever. The team closed the season last year with a 12-6 record, in addition to placing third in the division. In 1965 they won the division title and were runnerups in the state finals.

Returning lettermen this year were J. Ray Rokey, Brian Shields, Roger Schmuck and Mike Whalen. Also returning were Leonard Perez, John Gomez, Jeff Quinn and Ralph Camarena.

LINKSMEN AGAIN PROVE SUCCESSFUL

After being extremely successful in their first three years of competitive golf, the Westwood golf team again went after a state championship. The Warrior linksters lost only one match each year. Westwood finished fifth, fourth, and second in the state championship match during previous years.

This season Westwood had a strong team headed by Mack Lake, Dave Calvert, Jim Brafford, Mark Eagleburger and Tom Nansen. Mack Lake was the only returning senior letterman. The rest of the squad was mainly composed of well-experienced juniors.

The team practiced at the beautiful Mesa Country Club golf course under the direction of Coach Erv Reid. Their first match was in March.

Warriors Open With Win Over Tempe

The Westwood track team was again shooting for its second state championship in three years of competition. In past seasons the team has comprised one of the best records ever by an Arizona team. In 1967, they were considered the strongest track team ever to compete in Arizona. The 1966 season was very successful but ended in heartbreak as the team lost the state championship by two points. The 1967 team was filled with many veterans of 1966 including many possible state champions.

The team was under the direction of Coach Carvel Jackson, who is considered by many as possibly the best track coach in the state. He has been successful in fielding numerous championship teams. Coach Jackson supervised the running events while his assistant, Coach Dave Gates, was in charge of the field events. The combination of the two has proved to be very successful.

The team was led by returning lettermen including some who competed in last years championship meet. Junior, Ron Johnson, headed the sprinting department, while the 880 relay team, composed of Vince Poleo, Ron Johnson, Terry Welker, and Richard Quinone, ranked as one of the top teams in the state.

Gymnastics Team Competes in the Valley

Having had a fairly successful season last year, Westwood's girls' gymnastics team hoped to improve their record this season. Last year three girls placed in the state meet of the eight who had qualified from Westwood. Marti Fischer was the state champion on the trampoline, Candy Curtis was second on the balance beam and Ann Steverson placed third in the state in floor exercise.

Outstanding gymnasts who returned this year were Fisher, Steverson, Curtis, Lenore Shelley and Rivon Ray. There were also several promising sophomores on the team.

Gymnasts Perform at Half Time Shows

As the band struck up the fight song, Kevin Billiet prepared to lead the mighty Warriors onto the football field. Wearing his Indian brave leather outfit, he led the team onto the gridiron. Kevin escorted the team onto the field previous to each football encounter. Upon reaching the center of the field he threw off his Indian feather headdress and displayed a series of running forward flips. Kevin helped to raise the pep of the football team and boost the spirit of the entire student body. Also, he added a distinct Indian touch to all the football games.

The entire gymnastic team made regular appearances at the Warrior home basketball games. During the halftime the boys displayed their talents on the parallel bars, still rings, trampoline, side horse and high bar and in floor exercise. They worked many hours to perfect their performances. Gymnastics was considered one of the most difficult sports, requiring both stamina and endurance. In giving their performances at basketball games the team not only entertained the fans but also had an opportunity to practice for their meets which were held weekly.

Senior Robin Ford shows off his developed ability in doing a straddle.

Record Thru Midway Point

With a new coach, Miss Yolie Munoz, at the helm, the 1967 girls tennis team set out to better its last year's season record of fourteen wins and four defeats. Under the direction and guidance of Miss Muñoz, the team practiced long hard hours after school to get in shape for the 1967 season.

Not hampered by the fact that there were only two returning lettermen, Binki Beaugureau and Diane Wolta, on the squad the Warriors got off to a quick start by demolishing Scottsdale High 7-0. They found the going a little harder against Mesa High 4-3, but pulled out a victory. Saguaro High, a newcomer to our division, found the going rough, when they were soundly beaten 5-2. The hardest battles came from Casa Grande and Tempe, two of the strongest teams in our division.

The Jayvee's also had a powerful team this year. By mid-season, they had held their opponents to a slim seven games, while winning thirty four themselves.

Swimmers, Netters Have Good Season

Placing second in the district last year, the Westwood swimming team had great potential for even better results this year. The wetbacks led by Bill Passey, All-American in the 50 and 100 meter freestyle, placed competitive water polo with other high schools for conditioning purposes. Wayne Rafter, David Stapley, and David Passey also supplied strength for the tankers.

The tennis team, under the direction of their new coach, Mr. Roger Baldwin, practiced for matches using new box drills. The netmen led by senior Reid Chapman practiced hard hours after school to keep in condition. Bob Forsythe was the only sophomore to make the varsity squad.

Service Featured in "S" Club Program

Organized in 1963, "S" Club, sponsored by the Mesa Club of Soroptimist International, was the first high school club in the Soroptimist District.

In the last two years the club has been recognized for outstanding service and has received the "Best Club of the Year" Award for two consecutive times.

Serving both the school and the community in every possible way, "S" Club members learn leadership, and the joy and satisfaction of doing for others. Also, they strive to meet their obligation of promoting good citizenship, loyalty and the spirit of co-operation in school and community.

"S" Club is most proud of its scholarship program which provides awards to deserving students. Primary fund-raising for this function includes selling programs at all home football games.

Membership in the club increases in the spring when applications from prospective members are reviewed and considered.

Under the sponsorship of Soroptimists, "S" Club members attend meetings of the Pacific Region of the Soroptimist Federation in order to learn about other activities from clubs in other schools.

"S" Club officers at work are: Jan Snyder, senior representative, Susan Dahl, vice-pres., Barbara Lassen, president, and Janis Heap, Jr. representative.

Other officers attending to club business are: Barbara Brinton, treasurer, Ann Allen, recording secretary, Connie Stewart, corresponding secretary, and Doreen Freestone, publicity.

Key Club Sponsors Packages to Vietnam

Key Club officers showing off club banner are: Kurt Webb, president, Eric Freestone, vice-president, Terry Jennings, secretary, and Steve Schneck, treasurer.

Several main projects for Key Club during the year were concerned with collecting and sending packages to American Servicemen stationed in Viet Nam. "Operation Christmas" packages and "Operation Cheer-Up" packages were sent to the servicemen. "Toys for Tots", which included all types of toys, went to the children of Viet Nam.

A service club for boys organized and sponsored by the Kiwanis Club, Key Club dedicates the talents and efforts of its members to giving general service both to the school and to the community.

In addition to the Viet Nam projects members assisted in the "bell ringing" collection of funds for the Salvation Army; helped with needs at the Mesa Association for Retarded Children's School; picked up books for the library; aided in selling tickets to the Kiwanis Pancake Day; and helped with the school Career Day.

Designed to promote the use of the Spanish language and to increase understanding of Spanish culture, the Spanish Club at Westwood held fiestas, parties and other fund-raising projects to help finance the spring trip to Mexico. While learning more about the culture of our neighbor country, club members tried out their own brand of Spanish on the natives.

In keeping with their purpose the club also participated in the Foreign Language Week events as well as holding regular meetings during the year.

The German Club was organized for the purpose of increasing understanding of German culture and promoting the use of the German language.

In addition to regular meetings throughout the year club members assisted with the Foreign Language Week activities and various planned events for those interested in the German language.

Opening social for the year was the Oktoberfest, a traditional German celebration.

Dance Club Presents Special Recitals

Dance Club consists of a group of 90 girls who devote their extra-curricular time for further study of the art of dance. The purpose is not only to teach members more about dance, but also to provide material for them to work on outside.

Regular meetings open with a series of warm-up and exercises designed to limber up tense muscles. Following the warm-up period, members receive assignments. Then, dancers divide into groups to prepare studies which are presented near the end of each meeting. On occasions special guest speakers are invited. At various times one member or a group of members perform a number, choreographed by themselves, for the rest of the club to see.

In the past the main project for the year has been one gala concert presentation in the spring. This year Dance Club presented recitals at the Thanksgiving Assembly in November, at the Christmas Assembly, and for the gala spring production of the musical "South Pacific".

The club aims include promoting cultural activities in this field in order to present a complete school program of arts and culture.

GAA Decorate Goal Posts

The purpose of G.A.A. is to provide a wholesome, recreational experience for each girl who desires membership, to promote interest and to participate in physical activities and girls sports, and to foster a spirit of cooperation with the highest ideas of good sportsmanship.

The primary project of the Girl's Athletic Association this year was to decorate the goal posts at each home game. Other projects included arranging a schedule of sports participation events for girls.

Trophies were awarded to the members on the basis of points accumulated. An award was presented to the outstanding senior girl who earned the highest number of points. The sponsor's award went to the member who contributed the most service throughout the year.

FTA BANQUET HONORS TEACHERS OF MONTH

New members are picked up for the "Come as You Are" breakfast during the initiation proceedings.

Educational and fun activities account for the lively school chapter of the Future Teachers of America. Purpose of the organization is to promote interest in the teaching profession. Members are given an opportunity to gain further insight for a possible teaching career through the programs of films, guest speakers and personal observations.

Initiates wore clashy clothes, socks, an oversized sign advertising FTA and carried an apple for the teacher during one school day. The following Saturday they were aroused at 5 a.m. for a "come as you are" breakfast. Later, officers and members were installed at candlelight ceremonies attended by parents. Membership cards and FTA pins were presented at the installation meeting.

Major project was the Teacher of the Month banquet honoring teachers who had been selected for the monthly honor throughout the year.

Other events for FTA members included visitation day to the Mesa Classroom of their choice, observation of American Education Week and Teaching Career Month (April), and reading to children confined to hospitals.

Highlight of the year was the State FTA Convention held in Tucson in March. State officers were elected and clubs compared activities.

Westwood FTA boast 95 members which is the largest membership for one school in the state.

Future Home Economists strives to provide an opportunity to explore the career possibilities in home economics while giving girls a chance to serve the school and community in areas particularly concerned with this field. In addition members learn skill and attitudes which improve home and family life.

Projects included field trips, school events, decorating and serving meals, working with children in hospital and day care centers. Speakers on self improvement, cake decorating and flower arranging provided the programs and the Christmas breakfast and spring picnic accounted for the socials.

Future Nurses of America is designed to provide a better understanding of nursing and other fields of medical science.

In October, FNA held a popcorn sale as a fund raising project. The group attended dedication of the Arizona State University College of Nursing facilities.

Special speakers for club programs included student nurses, a nursing instructor, a psychologist and an Armed Forces nurse.

In addition, members visited local clinics, sponsored a needy family, and conducted a community project.

SCIENCE CLUB, WAM EXPLORE INTERESTS

During the past year Science Club filled its purpose by encouraging members to explore related fields of science and to meet with others interested in the same area of study. Several field trips were made by the group to places in the valley as well as around the state.

In order to increase interest among its members and associates, WAM chapter toured places around the state where computer systems and math related ideas were on display. As a project for the past year WAM members completed an oversized Warrior's Head school seal in mosaic.

DECA taught students about marketing and distribution through placing students in employment at local business establishments. In addition to hosting the regional conference in October to get the yearly activities underway, the Westwood chapter held an employer-employee banquet near the end of the school year. DECA was again responsible for handling **The Chieftain** advertising selling campaign.

Future Business Leaders of America learned about the business world through participation in the activities planned by the chapter. Besides the regularly scheduled meetings members participated in the conference at Arizona State University and held an exchange of ideas with other chapters of the area.

LETTERMEN POLICE SENIOR PARKING AREA

Organized for the purpose of bringing together boys who earned letters in school sports, Lettermen's Club offers an opportunity for these students to be of additional service to their school.

This year the club members compiled brochures which they sold at fall sports events. In addition members were responsible for policing the senior parking lot which started operation for the first time this year. Lettermen were also responsible for arrangements and in charge of the annual Donkey basketball game.

Membership to the club requires that boys are students and hold letters in one of the competitive school sports.

INTERACT, OCTAGON CLUBS GIVE SERVICE

Interact Club, organized through the efforts of local members of Rotary International, gives service to the community and to the world as stated in the club aims. Members participated in functions toward completing these purposes.

Westwood Octagon Club, organized this year, states as its aims to promote an active interest in good government and civic affairs, to inspire respect for the law, to promote patriotism, and to give service both to the community and the school.

Members served as host and ushers for the Optimist Youth Appreciation Banquet which Mesa clubs sponsor annually to honor outstanding high school students of the area. Octagon Club also assisted in the Bike Safety program for elementary and junior high school students.

Officers for the newly formed club included Roger Schmuck, president, Jay Ray Rokey, first vice-president, Chip Stauffer, second vice-president, Brian Shields, secretary-treasurer, Leonard Perez, sergeant at arms, Dennis Shields, program chairman, and Millard Conover, Sponsor.

TRAINING EMPHASIZED BY CRAFTS, FFA

Promoting a better understanding and knowledge of arts and crafts constitutes the primary purpose of Crafts Club.

During the past year members reviewed the different techniques, assortment of materials, and skills needed for various types of arts and crafts.

It is traditional for Westwood each year, to receive a replica of one of the worlds famous paintings from the Crafts Club as a remembrance of the passing year.

Members of the Crafts Club often enter their works of art in art exhibitions throughout the world. This is just one of the many ways in which Westwood students can display their too often a hidden talent.

Frequently reminiscent oldsters claim that the fine art of farming has been reduced to mere automated equipment. The fact that the art of farming has not been depreciated to mechanization but rather elevated to science seems overlooked by many people except by the members of Westwood's Future Farmers of America.

This organization of interested youths in farming strives to develop competent, aggressive rural and agricultural leaders, and to promote an interest in all areas of farming occupations.

In addition to the purposes stated in the charter of the School chapter the organization endeavors to develop character of its members for useful citizens.

BILLIARD, RIFLE CLUBS STRESS PARTICIPATION

The newly organized Billiard Club was established at Westwood for the purpose of competing in an organized league. During initiation week of the recently formed club pledges were required to carry blue rocks with their names on it in orange. If by chance they were caught without their valuable rocks at any time or place, push-ups were demanded of them by those boys who had priority of membership.

The game of billiards has grown to such popularity that it is rapidly developing into the top family participation sport of today.

Membership in the newly established school club was opened to all interested students.

To be a skilled rifleman it is important that you know the fundamentals of marksmanship and the important rules of safety to prevent any occurring accidents. This is just one of the aims of Westwood's Rifle Club.

Its listed purpose was to promote ingenuity with guns as well as the handling and care of firearms.

During the previous year the Rifle Club has had the chance to make several hunting trips. One of these was a quail hunt that led the group of boys up near Bartlett Dam to try their luck at these tasty birds.

Requirements for membership stipulates only that a student be interested in learning about rifles.

Cramer Receives Top Honors

The honor of valedictorian for the class of 1967 was bestowed upon Lew Cramer. Lew was also very active in extra-curricular activities during his four years at Westwood.

Some of his varied activities and honors included serving on class council each year and being elected junior class president. Lew was also active in sports, earning his varsity letter in tennis. He also had the honor of being selected a delegate to Boys' State and the Model U.N.

As a senior he was elected president of WAM, designated as a Junior Rotarian and chosen Student of the Month for December. Other honors were awarded him when he was named a National Merit Scholarship Finalist and assigned the role as a keeper of Westwood's Spirit Cannon.

Second Place Honors Go To Pew

Terry Pew was awarded Westwood's second highest scholastic honor when she was named salutatorian. Besides her studies, Terry was mainly interested in music. She has taken piano lessons for nine years and has given lessons for about a year. This year she was a member of Concert Choir and Honor Chorus, serving as piano accompanist for the latter. She also helped direct and was the accompanist for Mrs. Elizabeth White's Children's Chorus.

Terry's other major interests included writing, sports and sewing. She was a member of National Honor Society and Future Teachers of America. Terry was also very active in her church.

STUDENTS BENEFIT FROM FUNDAMENTAL

ANYTOWN DELEGATES: Left to right: Barbara Lassen, Clark Yancy, Mary Ann Arnett.

During the past year students have attended various workshops in Arizona. One of these was Anytown which was held during June in Prescott. The main theme of Anytown was Brotherhood. This and religious convictions was the principle topic of discussion. Another workshop similar to Anytown was the National Conventions of Christians and Jews. The purpose of this workshop was to discuss various topics of controversy such as civil rights, housing, and beliefs of various religions.

To learn how city, county, and state governments operate, five boys and four girls from Westwood attended the annual Arizona Girls' and Boys' State Conventions sponsored by the American Legion and its auxiliary. Each of these nine students was assigned to a city and a county and participated in primary and general elections.

The Model United Nations held in Tucson offered six Westwood students an opportunity to learn how the United Nations functions. Two students represented Bolivia, one in the General Assembly and one in Credentials Committee. Two others represented Italy in the General Assembly and the remaining two were observers.

Students attending Publications Workshop at Northern Arizona University learned basic theories concerning yearbook structure and construction. They attended two and a half hour sessions twice daily, situated in the University's classrooms.

School and Students Merit Excellence

Above, Elizabeth Willis is being congratulated by Mr. Sizemore for her selection as the DAR recipient, while below Rosa Lee Bahr and Mr. Ken Thompson discuss plans for Westwood's VICA Club.

The DAR award this year went to Elizabeth Willis for her outstanding abilities and service to school and community. Each member of the senior class voted for a girl whom they felt would be worthy of receiving this award. Elizabeth, by receiving the most votes became this year's recipient.

Rosa Lee Bahr was elected state vice-president of the Vocational Industries Clubs of America at the first leadership conference ever held by this club in Arizona. She and two other girls represented Westwood at this first meeting.

This week of Nov. 28 through Dec. 2 was declared Westwood Week in Mesa by the city council. This honor was bestowed on the school because of the football team's progress made during the season and because of the state game on December 2nd.

Due to the football team's great efforts, Westwood received two trophies; the Division I and the State Runner-Up. They were presented to the co-captains at an assembly on December 9th.

Frances Anderson was chosen as a semi-finalist in the Miss Teen-Age American Contest. Chosen for appearance and scholastic average, she was among the semi-finalists and was the first Warrior to receive this title.

Classifying as National Merit Scholarship finalists, Lew Cramer and Peggy Sears brought honor and recognition to Westwood High School. They were selected for this honor by taking the National Merit Scholarship Qualifying Test during their junior year.

The pitter-patter of little sophomore feet was heard for the first time when Westwood opened its doors in September. Although the first week or so seemed to be quite hectic because of all the new adjustments that had to be made, the sophomores at once took an active part in school affairs and added a great deal of spirit.

The Sophomore Hello Party, which was held on September 2, was their first big event of the year. At this party they all became acquainted with each other and got their first view of high school life.

The sophies were first introduced to Westwood and its student body at the opening assembly on September 6. Their first impressions of Westwood's principal, Mr. E. R. Brimhall, and the student body leaders were made here.

Election Week brought on many capable candidates for available offices. It was a great experience for all who participated, even though for some their determination to win was followed by their first taste of defeat. Those who proved to be the most qualified for the jobs were finally elected to serve their first year at Westwood on the student council.

The sophomore class also made the difficult decision of selecting their J. V. Cheerleaders. Many girls worked hard to have the opportunity to try out to become a yell leader. This position meant a great deal to the girls involved, but yet they all had to prepare themselves for disappointment since only three would be chosen from the six finalists. Enthusiasm was considered one of the most vital factors necessary in the selection.

After elections came to an end the sophies became more acquainted with their surroundings. They then went on and made their first year as a "Westwood Warrior" an exciting and rewarding one, full of lasting memories.

Warriors Prepare

Student Body President, Bob Coester, welcomes Warriors to Westwood during the first all school assembly.

Raffeale Reda, Westwood's A.F.S. student, spoke to the student body in the opening assembly.

Dennis Obershaw of the Westwood Tribe, is introduced to the audience as Clod Rock and the Stones look on. The skit was presented to promote school unity.

for Exciting Year

Another year at Westwood began with Student Body President, Bob Coester, conducting the first assembly. The student council was introduced along with this year's foreign exchange student, Raffeale Reda, from Italy. E. R. Brimhall gave an encouraging introduction for the coming year and the student body roared with laughter as Dennis Obershaw stole the show as Heap Big Chief Dancing Foot. The skit was presented to portray school unity.

The second week of school was highlighted by a pep parade and rally preceding the first football game of the season. The pep rally was a complete success in its purpose of creating spirit and enthusiasm.

To add to the excitement at the games this year, a spirit cannon was fired for each touchdown the Warriors made. It was presented to the student body by Mr. Wayne Pomeroy of Pomeroy's Men's Store.

Bob Wilke, one of the trimatic trio, decides that V is for victory and encourages the Warriors to BEAT MARYVALE.

Bois Presented For Alumni

A dance from the class assembly "Kings and Cream" is partially recreated for an appreciative audience.

Excitement and surprises prevailed all day long on October 7th, for that was the day when the seniors of yesteryear returned to the campus for Homecoming. As they walked down the old familiar halls and greeted their former teachers and classmates the warmth and cordiality which is characteristic of Westwood greeted them.

Soon the assembly bells chimed and as the alumni and students filed into the gym, eager anticipation began to shine upon their faces. Nor did they have long to wait, for after the opening ceremonies the six semi-finalists for Homecoming King and Queen were presented to the audience. Shortly thereafter, a humorous skit depicting the forthcoming game with Coronado was presented. The skit must have helped for the Warriors won, remember?

Short flashbacks of former class plays were presented next and these allowed the "old grads" to think back and recall the days when they were upon that stage performing.

That evening, as halftime approached, the fans stood and cheered as the Homecoming Royalty were crowned. The enchanted evening came to a climax when alumni and students attended "Souveniers D' ouest Bois", our homecoming dance.

"MODS" SHOW OFF AT CLASS PARTY

The first of the class parties was held on October 28 by the juniors. However not only members of the junior class enjoyed this evening of entertainment and dancing held in the school cafeteria. Other students could attend if there were dates of juniors.

This night of fun and frolic was highlighted by a "Mod Fashion Show" narrated by Bob Wilke and featuring such models as Jo Calhoun, Zoanne Smith, Diane Bergquist, CeCe Bartow, Judy Noll, Linda Stone, Heather Fuller, Charlotte Forsythe, Carla Monroe, Raul Dominquez and Marta McNeal. The new look in fashions were presented in a very unusual way. An Air Force jump suit showed the latest in jumpers and a number 69 Chicago Cubs baseball uniform represented the Ivy Leaguers. The Weed Look was portrayed by a smoking jacket and several cigars and a real swinger came out with a hula hoop.

Music for the night was provided by the Royals and refreshments consisted of soft drinks and donuts.

PARENTS, TEACHERS GET TOGETHER

Westwood's Open House was held during November in the Boys' Gym. This gave parents and teachers an excellent opportunity to meet with each other and discuss student progress in school. Parents were also able to set up later appointments in which they could discuss any complex problems at length. The teachers were grouped in sections according to departments in the gym. Examples of student class work were often shown to parents during their discussions with the teachers. The "S" Club assisted by printing name tags for all parents and teachers.

Entertainment was offered by the choral and instrumental departments in the cafeteria where refreshments were also served by the Homemaking Department. The counselors were available for consultation and the Art Department presented a display of student creativity.

BIG GAME ENDS MESA WEEK'S FESTIVITIES

It was a cold crisp night. The gates of the stadium opened at 6:30 p.m. for a game to be played two hours hence and yet within a half hour most of the seats were taken. By game time, thousands upon thousands of people had gathered to fill every available seat. Standing room was at a premium. Helium filled orange and blue balloons could be seen all over the east side of the field while on the west, the purple and gold balloons of Mesa could be seen hovering in the air. The bands of both schools presented their pre-game shows and presented their finest formations while playing their very best.

As the players came upon the field, a mighty roar swelled from the throats of the spectators. When the official signaled the game to begin, the cannon of Westwood sounded and the rockets of Mesa soared to light the heavens. The gaily colored balloons were released and for a brief period the skies were warmed with their many brilliant hues.

It was a hard fought game with neither side giving up much yardage. When the final gun sounded though, success came—the Warriors won.

POW WOW HIGHLIGHTS MESA WEEK

The week began as all school weeks do but this one, almost from the start, everyone knew was going to be different. A tenseness began to fill the air; the members of the various classes knew without a doubt, that even though the Warrior football team was undefeated at this point, that all could be shattered in the forth coming game with "those across town". This was without a doubt "Mesa High Week"!

The two student councils met for lunch early in the week and each traded emblems; the Warriors wore rabbit ears while the Jackrabbits donned war paint and feathers. The big fall event of the season was scheduled for the following night but fate and the elements forced the Warrior Pow wow to be postponed! The "Valley of the Sun" proved to be just one big mass of rain and mud. Students slid to class for the next three days; many tumbled on the concrete while others unveiled moth eatened umbrellas that had not seen the light of day for years!

Finally a day dawned bright and clear and a special assembly was called out of doors. The pow wow was on! Each class presented its skit depicting just how the hapless Rabbits would go down in defeat. Each class proved by its attendance how they could cheer. Each football and cross-country member and each of the coaches rose to be cheered so that they would know that the students and faculty members of Westwood were rooting for them. And when it was finally over, the Juniors and Seniors were declared in an unprecedented tie, the winners of the Pow Wow.

Now that the war paint covered all loyal members of the student body; now that the Pow Wow was over; Now, yes now, was the time to go to Taylor field and prove to all just who was the mightiest!

WARRIOR GRIDDERS GO TO STATE

For the second time in three years, Westwood's great football team earned the right to participate in the state championship game. The game was played against the Tucson High Badgers at Sun Devil Stadium on Friday, December 2.

Numerous devices were used to boost Warrior spirit at the state play-offs. On Westwood's side of the field, huge signs were displayed to boost the team spirit. Blue and orange balloons were launched and the Victory Cannon was fired at the beginning of the game. Orange and blue shakers and orange megaphones were used to liven up the cheering. Warrior braves added to the sideline activities by cavorting around the tepee.

The pre-game show was presented as a combined effort of the Westwood and Tucson High varsity bands. The two schools split the half-time show. For their part of the show the Warrior band performed to the music of "The Pink Panther".

"CURTAIN TIME" PRESENTED AT W.H.S.

Warriors came from far and wide to try out for Westwood's first big talent show, "Curtain Time 1966". Each participant put forth his best skills, but only the best were chosen for this great event. After the selection, the talented Warriors worked on their numbers for weeks before their premiere performance.

Christmas spirit was added to the program by giving a Christmas theme. It was presented on December 9 before the entire student body.

Working on the "first place" senior decorations are, Larry Williams, Jean Meisgeir, Bev Bowers and Carol Fuhr.

Mila Milano, Gordon Gunnell and Jan Snyder display their excitement at Santa's gifts.

HOLIDAY SPIRIT PREVAILS ON CAMPUS

Westwood's Christmas Assembly was presented December 22, as a regular double assembly. It was a musical narrative given by the orchestra and combined choruses. They performed "The Christmas Story" with Mr. Jay Dean Jones as the narrator.

Westwood's Christmas Formal was held December 22 at the ASU Memorial Union. It was a semi-formal affair sponsored by Boys' League.

Lynn Valentine was in charge of the decorations. As the couples entered the dance, they walked through a doorway covered with long, gold, glittering streamers. The central point of the decorations was the huge rotating Christmas tree. It was decorated with beautiful balls and blinking lights.

Music was provided by the Link Bethel Band. Mr. Bill Williams took formal pictures in the lobby of the Memorial Union. Refreshments were also served.

Coach and Mrs. Bennett also appear to be enjoying themselves at the Formal.

Game and Dance Benefit AFS Fund

Senior, Dianne Wolta and junior, CeCe Bartow both try to grab a rebound in the Powder Puff game.

AFS Week ran from January 9 to January 13. Its purpose was to raise funds in order that Westwood could participate in the student foreign exchange program.

Westwood recognized this importance of AFS and did its best to raise funds in order to help finance the program. This year each class held its share of fund-raising projects throughout the week. Students did their part in donating the time and work that was required for the success of their projects. The biggest events that brought in the most funds were the hilarious Powder Puff Basketball game and the big Night On The Town. The game attracted most of the Warriors and each got their money's worth in laughs and entertainment. In half-time performance the "pom pon girls" displayed their charm and talent. Seniors were also provided with three charming cheerleaders, who kept the spirit up throughout the game. Seniors came out on top with a score of 11-8 over the junior-sophomore team.

Night on the Town was the finale of AFS Week. Games, dances, food, and a variety of booths were some of the entertainment provided for all who attended. AFS Week proved to be a big success again this year.

Jr. Assembly Theme Features Patriotism

"This We Owe to God, Home and Country" was presented as the Junior Class Assembly on February 10, 1967. The class of 1968 was accorded the privilege of being the first group to give a performance in the new Shepherd Auditorium.

The script was written by David Cluff, and Laurie Tefft was the choreographer. The above two students plus Sally Arnett and Paula Morris were the directors. Uncle Sam was played by Don Shirley, and Bob Wilke was the soda jerk. Musical accompaniment was provided by instrumentalists of the junior class.

The play consisted of three scenes and the finale. The first scene was about today's beatniks and draft-card burners. The second one took place in a malt shop during World War I, and the third scene was in a hospital from World War II. For the finale, members of the cast marched through the aisles of the auditorium and onto the stage carrying American flags and singing "You're A Grand Old Flag."

"S" Club Fashion Show Aids Scholarship Fund

Sweetheart Styles was the theme for the 4th annual "S" Club Fashion Show which was held February 6, 1967 in the new Shepherd Auditorium.

The Sweetheart theme was carried out through the flower decorated archway on the stage and hearts and flowers on the refreshment tables.

The latest fashions were modeled by "S" Club members and boys from the senior class. The models were Ann Allen, Bev Bowers, CeCe Bartow, Carol Fuhr, Susie Lambert, Diane Berquist, Jan Snyder, and Barbara Lassen. The boys included David Stiles, Rod Benedict, Jim Jackson, and Russ Kolstrud.

Among the fashions shown were the latest spring styles in semi-formal, date, school and casual wear along with a preview of this year's swimsuits.

Country Set in Tempe provided the girls' fashion while those for the boys were from Pomeroy's of Mesa.

At Right—Carol Fuhr slips off her skirt to reveal her extra long shirt, while CeCe Bartow swings into summer in her sporty pink voile capri outfit. Corky Russnak who is the buyer from Country Set commentated the show. To wind-up the show and add interest the models danced to music provided by "The Set" while they modeled their various outfits.

All of the models appeared on stage for a final round of applause from the audience.

MASQUE AND DAGGER PRODUCES TALENT

Masque and Dagger was Westwood's troupe of the National Thespian Society. It was designed for all drama students who were interested in the theater arts. Auditions for prospective members were held in October, and seventeen new members were elected into the club. These new Thespians were inducted in a formal ceremony on October 13 at the home of Mr. Jay Dean Jones.

Monthly activities of the club included group outings to noted plays and motion pictures. Four delegates, Don Shirley, Margaret Merrill, Bev Turner, and Mary Watson, attended the state Thespian convention in Tucson on Dec. 3.

Forensics Club Develops Speaking Skills and Competes State-wide

Within the past two years, the Speech Club has brought Westwood a great deal of recognition in the field of debating.

Students interested in debating the "Big Questions of Today" and many other various subjects, were quick to become participating members of the Speech Club. But being a member was not simple work. It took time and effort on the part of each individual member in preparing himself for participation in forensic contests within the state of Arizona.

The Speech Club helped each member to become a better speaker and a more informed American citizen. Through debating, each member learned to think for himself, developed a critical judging ability, and learned about controversial sides of political issues that concerned Americans today. Through participation in original, oratory, impromptu, and extemporaneous speaking, each member learned to organize his thoughts quickly and present them to an audience in an organized manner. They learned to appreciate the great literary artist through participation in poetry, serious, humorous, and declamation readings. They attended tournaments to become better speakers and better citizens of America.

Brenda Nielsen, Vice-President, and Virginia Ewart, treasurer, find it necessary to rehearse and prepare themselves thoroughly for an important debate.

Seniors Reign as Princess; Sweetheart

One of the highlights of any school is that time when the student body of a school can indicate its approval in the selection of various girls; who then reign for a short period of time and are given the honors of a queen or princess. Two such events occurred at the beginning of the second semester, when the Chieftain Princess and Cupid's Cotillion Sweetheart were selected.

The 1967 Chieftain Princess was Diane Robb. Attending her were Nancy Davis, Susan Gottschalk, Margene Nakatsu and Susan Danielsen. These girls were all members of one of the publication staffs and this was one of the criteria necessary for their inclusion as candidates for this honor. The student body voted in their social studies classes and at the dance after the Yuma basketball game on February 3, the winner was crowned.

Cupid's Cotillion is an annual "dress up" dance which is held to honor the girl who is voted as the sweetheart of her respective class. The sophomores chose Jerry Flake, while the juniors selected Karen Coleman and the seniors chose Pam Mills. The class which had the greatest attendance at the game and dance saw their representative reign as Sweetheart of Westwood.

66-67 Concert Choir

Concert Choir started their year of many activities with their parents night. It was held September 27, in the Band room. They provided entertainment in a skit that portrayed their aspirations.

The Choral Department's major fund raising event was the Rosarita Dinner. All the choruses performed and Concert Choir acted as hosts. Good food and entertainment combined to make an evening enjoyed by all.

October activities of Concert Choir ended with the Concert Choir-Varsity Band Party that was held at the home of Mrs. White.

In November they sponsored a very successful Battle of the Bands.

December was a very busy month for the Choir. They sang at the Elks Club on the 3rd, toured Casa Grande, Tucson, and Ajo and performed at the Christmas Assembly, along with singing for the City of Mesa for various civic functions.

The fabulous "Concert Choir Colossal Classic" was held on January 26, in the Boys' Gym. Choir members displayed their hidden talents to all who attended.

Weeks of preparation were climaxed by All-State tryouts in March and then All-State held at N.A.U. also in March. As in past years Westwood was well represented.

With the completion of our auditorium the student body combined with Concert Choir in presenting our first musical **South Pacific.**

April 14th found our Concert Choir hosts to the Yuma Choir. After the evening's performance the members of the Yuma Choir were guests in the homes of Concert Choir members for the night.

The Arizona State Music Festival was held on April 29. As in previous years it proved to be an enjoyable experience for all those who participated.

The annual Spring Sing was held on May 6th as the last performance of the year. The public and Concert Choir Alumni were invited to attend and hear Westwood's 1966-67 Concert Choir for the last time.

FINE ARTS GROUPS

Sporting new outfits, the Westwood Concert Choir had a very active and profitable year. During the year, the girls improved in both their musical and organizational abilities.

They participated in fund-raising activities ranging from cookie sales to the Rosarita Dinner, was used for summer music camp scholarships for outstanding choir members. They also sold all-occasion cards to help the Concert Choir earn money for new coats.

The girls presented various programs for the public. They were given a chance to perform for their parents at Parents' Night held in September. The choir also sang in the Christmas Assembly. During February the Concert Choir Girls went on a tour. They brought the year to a very successful close with their concert in the spring.

South Pacific Viewed by 4,500

When the new auditorium was forecast to be ready for use in early February, it was decided that a truly fine play should be presented to officially "christen" the building. After much deliberation, the Rogers and Hammerstein production of **South Pacific** was selected. After weeks of rehearsal, the play was finally presented. The first performance was given to the junior high 9th graders; the second to our own students and finally two performances were performed for the general public. The production was well received by the audience and the members of the cast were recalled again and again for curtain calls.

In all, 221 persons were involved in one capacity or another so that this could be truly called an all school production. Some of the persons involved worked many long weekends, nights, and before and after school. When the curtain came down for the last time, however, the many hours of effort proved to be well worthwhile; for in the faces of all of the participants concerned, one could observe the look of satisfaction for a job well done.

With four months still remaining in the old school year of 1965-66 plans were already being formed for the publication of this, our 1967 **Chieftain.**

In late January, Kathleen and Sandra were selected to act as Co-Editors by John Donovan. Soon afterwards, the selection of key personnel began.

During the summer, fourteen members of the staff attended a special yearbook workshop at Northern Arizona University in order to gain additional knowledge and in order to better equip themselves to put out their respective sections.

Working every 5th period, all 18 girls (and Fred) had pictures taken, wrote copy, laid out pages and finally assembled this book which you are reading. We truly do hope that you enjoy it as much as we enjoyed putting it together for you.

Tohyah!, War Chant, and Photo

The War Chant was one of Westwood's best means of communication. It gave full coverage to all school activities and events ranging from scholarships and club news to sports.

Editorials printed in the paper encouraged school spirit, promoted good citizenship among the students and helped support many school improvements including the discouragement of littering and cheating.

The War Chant staff had the responsibility of seeing that all Warriors were informed of school activities.

Westwood's literary magazine, Tohyah! was a collection of original stories, poems, articles and music by students. Members from all classes submitted work to the staff. Selection was made by the staff on the basis of quality and interest, with the editor making the final decisions. The publication of Tohyah! involved a long, detailed process before the magazine was presented to the student body at the end of each semester.

Tohyah! was valuable for the recognition it gave students who produced quality literary work and for the opportunity it provided each student to express himself through creative writing. Surely Tohyah! was an important asset to the school spirit and unity of Westwood High.

Westwood's Photo Lab was one of the most outstanding on the high school level. Mr. Williams and eleven student photographers provided exciting and colorful pictures for the school publications and for publicizing school activities.

The photographers had other responsibilities other than taking pictures. They also had to develop their own film and make prints from the negatives.

Ten secretaries assisted the photographers. Their time was filled with filing all envelopes of negatives and keeping the files up to date along with other responsibilities.

Shepherd Gives Thirty Years Service To Schools

After having given some thirty years of his life to the Mesa school system, Superintendent of schools, Rulon T. Shepherd, this year retired. Education in Mesa has grown astonishingly during this period of time; much of the credit for the orderly progress which has been made, must surely go to Mr. Shepherd. Aiding him this year were Associate Superintendent Gavin Humphrey along with Assistant Superintendents Leslie Swan and Dell Chamberlain.

One of the high points of Mr. Shepherd's career occured this year when the new auditorium at this institution was finally completed. Long active in the fine arts program in the city of Mesa, he saw the completion of this fine arts center on February 3rd. of this year. On that date the auditorium was dedicated and named in his honor. The assembly at which this took place included many dignitaries who came to pay him their respects. Various performances were given by talented students to preview the types of entertainment which will come in the future.

School Board Works Hard To Improve District Schools

Standing above all other sources of authority, the school board was the final voice in matters concerning the administration and policies of the school district. The tenure of office of individual members averaged approximately six years: Thus, there has been relatively good continuity of service on the board.

The members elected provided high quality leadership and they should be complimented for their supreme dedication and loyal enthusiasm for the Mesa schools. The board had great seriousness of purpose and a keen determination to solve the school problems in an articulate manner. They made the rules and regulations Westwood High School followed along with the other schools in Mesa. They had good cooperation among the members and their discussions were often spirited. Serving their terms without pay, the board was composed of Mr. Lynn Sharp, rancher; Mr. Darwin Gunnell, tire store owner; Dr. John Kerr, pediatrician; Mr. L. B. Werner and Mr. Eldon Hussey, retired; and Mr. Wallace LeSueur, clothing store owner.

by Principal and Assistants

The job of keeping Westwood running efficiently and enforcing its many rules was the responsibility of Mr. E. R. Brimhall, principal of Westwood High School. His duties included general supervision, the responsibility of selecting school personnel, public relations, Warrior discipline, student safety, budgets and student morale.

Mr. Brimhall had two capable men to assist him. They were Mr. Mel Sizemore and Mr. Pat Pomeroy, assistant principals. Mr. Sizemore was in charge of the educational services. His duties included registration, attendance, discipline, testing, teacher supervision, college entrance, scholarships, graduation and scheduling of classes. In charge of student activities was Mr. Pat Pomeroy. His duties interested all Warriors because they concerned all school functions, clubs, organizations, student government, athletic events, awards and student funds.

The principals were assisted by Mrs. Mary Manriquez, receptionist; and Mrs. Eula Harris and Mrs. Audry Morphis, secretaries. They also had assistants in the registration office and attendance offices. Mrs, Maxine Koch, Mrs. Frieda Davis and Mrs. Carol Gruner were clerks in the registration office. These women were involved with keeping the records of all Warriors up to date and making sure their class schedules were correct. The attendance office clerks were Mrs. Edith Wolta, Mrs. Delia Jaimes and Mrs. Ruth Perkins. These ladies duties included keeping correct attendance of the some 2,000 Warriors who attended Westwood High School this year.

Counseling Staff Guides Warriors

Robert Free
Head Counselor

Westwood's counseling staff assisted Warriors by student conferences and group orientation. They were also responsible for student registration and the placement of students in classes.

An objective of the counseling staff was to help students become independent and self-reliant. They also assisted Warriors in planning their educational and vocational goals. The counselors attempted to help the students develop self-understanding.

Four new counselors assisted Warriors with their problems this year. They were Mr. John Bulkley, Mr. William Evert, Mr. Dean Maughan and Mr. Gerald Vaughan. Mr. Bulkley and Mr. Vaughan previously taught at Carson Junior High School. Mr. Robert Free replaced Mr. Larry Dixon as Westwood's head counselor.

Many Thanks to Special Services

Anna Cramer
Nurse

The students of Westwood were thankful for help extended them by the special services people.

Mrs. Anna Cramer, the school nurse was responsible for caring for the sick, and her "quick cures" often readied students for class in a short while. Mr. Cliff Spain was in charge of the Drivers' Education classes. Mrs. Racheal Morris helped those Warriors who were not able to attend regular classes. A new member to the staff was Mr. William Crook. He handled special education. Mr. Bill Williams and his student staff took all pictures used by the school. In Audio-Visual Darrel Guy supervised student projectionists. He is substituting for Verne Martin who is on leave. Mr. Andrea Messali managed the Trading Post, while Mrs. Mary Jackson replaced Mrs. Helan Moffat as head librarian. Her new assistant was Mrs. Eskey.

"Special" People Work Long

Odell Keller
Cafeteria Head

The students of Westwood were helped this year by many people other than teachers or administrators. These special services people made the school year run smoothly.

The staff of Westwood's cafeteria was responsible for feeding over 1000 hungry Warriors well-balanced meals. The price for lunches was 40 c per day or weekly tickets of $1.75. Serving however, was not their job. These ladies often were involved with serving at school and community banquets held in our cafeteria. They were helped each day by students. These ladies deserve congratulations for a job well done.

Other helpers on campus were the custodians and ground workers. Their job extended to keeping classrooms and buildings spotless. They were very patient and kind to pick up after student litter bugs. Their jobs included those that students neglected to do, to keep our campus beautiful. The custodians maintained the property and guarded the grounds. The ground workers were involved with keeping the grass trimmed and well kept, flowers planted and the bushes clipped.

Many thanks, to all these "special" people who helped make our campus a pleasant and attractive place to increase our knowledge.

Fine Arts Encourage Self

Archie Rader
Department Head

The Choral and Instrumental Departments were very active this year. Many performances, entailing innumerable hours of practice time, were presented by each group. Not only concerts were given, but the bands also performed at athletic events and the choruses gave several assemblies throughout the year. With the help of the Music Department, Westwood's first musical **South Pacific,** was very successful.

Students were placed in each performing group according to their musical knowledge and ability.

Teaching, however, was not the only job of the Instrumental Department directors. Fund raising projects such as making and selling records and selling candy were also their responsibility. The annual Spaghetti Dinner sponsored by the Band Boosters was a great success. During second semester, the Honor Band and Symphony Orchestra were formed by the best students of the band and orchestra classes.

Throughout the year the Choral Department was also very active. They had money-raising projects along with the Rosarita Dinner. Various choruses performed during this dinner. Classes were taught in music theory and harmony for those Warriors interested. The best students of the Choruses formed the Madrigals, who sang at many school and community events.

Over 700 students participated this year in the combined music classes. Their knowledge of theory, composers, songs and rhythm was an excellent background in the liberal arts and a very rewarding experience.

Development and Creativeness

Expression through creation was the prime purpose of the Arts and Crafts Department. Through the medium of creativity, self development and understanding were achieved.

The Art Department was centered around two dimensional projects. Landscapes, still lifes, portraits, and sketches were developed from charcoal, water colors, and oils. Uses of color to achieve a dominant mood or impression were studied. Monograms and Christmas cards were also experimented with.

Rings and necklaces were designed and produced in the Crafts class. Bowls, bookends, and housewares were fashioned from wooden blocks. Life-size masks were constructed and painted. Batik, a process of putting a design on cloth, was also included in the varied projects.

Students strove to achieve gold keys, given for scholastic achievement, but found their own reward in the work and creation itself.

Department Offers Humanities

F. H. Bradshaw
Department Head

The study of man's struggles in the world and his relationship to the universe was part of the knowledge students gained in the Humanities. This was a new course offered in the English Department this year. Included in their studies were literature, drama, music, painting, sculpture, architecture and dance. Lectures and films were presented in large groups while individual study and discussions were held in smaller groups.

Also new this year was the sophomore English program. All sophomores were required to read Huckleberry Finn and a movie program was presented dealing with it. They also had a wide variety of paperback books to choose from on which to make reports.

Mr. Thomas Bennett, basketball and football coach, also taught sophomore English. Teachers who advised student publications were Mrs. Sharon Kronbach, **War Chant;** Mr. John Donovan, **Chieftain;** and Mr. F. H. Bradshaw, **Tohyah!.**

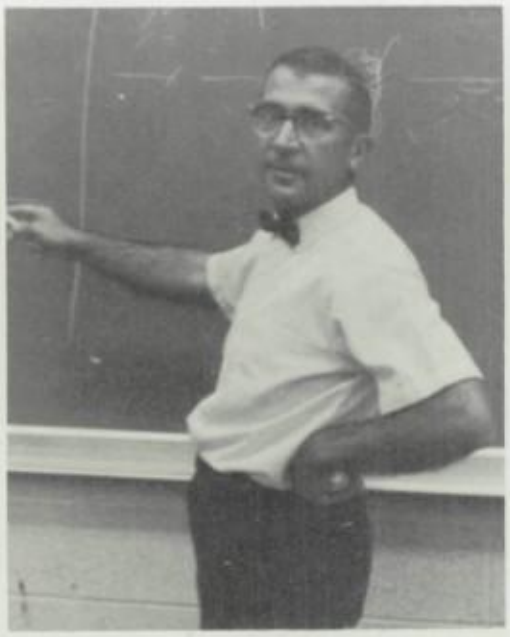
Warriors Attempt Office Education



Herb Hillman
Department Head

Cooperative Office Education was a new vocational course offered by the Business Education Department. COE students attended school in the morning and worked in an office during the afternoon. To enroll in this course, students were required to have an acceptable grade average and the approval of the coordinator. They also had to be enrolled in or had taken a vocational course in shorthand, bookkeeping or typing. Other new vocational courses offered were advanced typing and advanced shorthand.

In beginning typing classes students typed to music. This improved their ability of typing at a steady pace.

Business Education courses were very useful to Westwood students. They gave Warriors a good background for employment after high school graduation and also benefited them for personal use.

Foreign Language Sponsors Week

This year the department sponsored Foreign Language Week in the spring. Each foreign language taught at Westwood had a specific day on which to promote its language. This was done by the language clubs which painted panels to display in the halls.

Foreign languages were taught to give students an opportunity to speak another language fluently besides English. These classes also helped Warriors to meet college requirements.

With the aid of tapes and records, the students were given an opportunity to hear native speakers and practice speaking themselves. For Warriors who were really interested in another language, there were four foreign language clubs which they could join.

Mr. Roger Baldwin was new to the campus this year, replacing Mr. Rey Kartchner. Mr. Baldwin taught first, second and third year Spanish. Mr. Jerry Ferguson sophomore world history teacher, also taught first year French.

Changes Occur in

Economics had previously been taught at Westwood through the Business Education Department. Due to the urgency and a greater need for a better understanding of economics it was also added to the social studies curriculum. Seniors enrolled in economics were able to substitute it for one of the four social studies requirements for graduation. The main objective of the course was to acquaint students with the operations of our economic system. This was accomplished through class projects, cash analysis, research and participation.

Another change occurring in the curriculum of the department was the elimination of drivers education in the sophomore world history classes. Sophomores desiring to take this course were required to enroll in the driver and safety education class offered this year.

Seniors also took classes in psychology and home and family for additional social studies credit. In these classes the students learned how to better themselves and how to prepare for their future.

Warrior Fitness Is Major Objective

Carvel Jackson
Department Head

Physical fitness was very important this year for all Warrior boys. Various courses were offered for each boy to participate in. They also had daily exercises and gymnastics.

Some of these courses during first semester were flag football, track and field, volleyball, weight training, and wrestling. During second semester boys chose subjects for the semester. Some of these were gymnastics, tennis, softball, soccer and basketball.

Varsity and Junior Varsity teams were formed for tennis, soft baseball, football, track, cross country and gymnastics.

A physical fitness program was followed during the year. National tests were given to see how well Warriors compared with boys all over the country. Fitness tests were given that were made up by Westwood coaches.

# of Physical Education Departments

Upon returning to school after a long summer of relaxation, many girls were shocked to find they had muscles they never knew existed. This discovery was made because of a daily exercise routine to records in the Girls' Physical Education Department. When the aches and pains left the girls were glad they had been exercised. This exercise enabled them to enjoy many sports including hockey, basketball, softball, tennis, golf, tumbling and the many other activities which gave all girls the opportunity to participate.

This year's program offered a wide variety of sports to some 600 girls enrolled in the physical education classes. The girls not only pursued their individual interests, but became well versed in sportsmanship and teamwork.

Department Head

Two honor nights for home economics students were held this year. First semester girls were honored in January and the second semester honor night was held in May. The outstanding students and their parents were invited. Students were presented with certificates acknowledging their accomplishments in home economics. Outstanding girls from the various clothing classes modeled their own creations.

Planning for the future, the department was busy preparing for a vocational training class. This class will be offered next year and will enable girls to attend school in the morning and work in a day nursery in the afternoon.

Mrs. Jo Wilson joined Westwood's teaching staff this year. She taught tailoring, advanced foods and advanced clothing.

Department Plans Science Assembly

An assembly on "This Atomic World" was held October 27. It was sponsored by the Atomic Energy Commission in cooperation with Westwood's Science Department. In connection with this assembly, speakers from the Atomic Energy Commission talked to the physics and advanced Chemistry classes during the day.

For the first time at Westwood, chosen juniors were allowed to enroll in the advanced Chemistry class without having previously taken a first year Chemistry course. The seven first year students were paired off with seven second year students as lab partners.

Throughout the year speakers talked to the various science classes. Some of the biology classes took field trips to the Experimental Farm and to the Health Department.

Vocational Classes Give Skills

Pat Coyle
Department Head

Enrollment in Industrial Arts gave students an opportunity to gain useful experience in several occupations. Courses were offered in metal work, general shop, mechanical drawing, sheet metal, electricity, woodwork, architectural drafting, and cabinet making. Advanced courses were offered in several of these classes.

The Agriculture Department expanded this year and received use of the new building. Animal husbandry covered units of dairy production, breeds, feeding and livestock judging. Farm mechanics were also learned as well as basic shop skills of welding, sheet metal, plumbing, cement work and power wood-working. Vocational Agriculture pupils learned skills of soil management, fertilizers, irrigation and crop production. They were also schooled in the operation, service and repair of farm machinery.

The Vocational Auto Mechanics was a new course at Westwood this year. The students took regular courses in the morning and had the auto mechanics class for three periods in the afternoon. The new teachers for this class were George Gezeluis and Jack Anderson.

Preparation of Future Includes Math

In order to prepare for college and the future, many Warriors enrolled in the various math courses taught at Westwood this year.

The mathematics curriculum included beginning courses of basic math, Algebra 1 and geometry. As Warriors progressed and entered science classes, they found the study of Algebra II and trigonometry helpful. Calculus, analytic geometry and college mathematics were also offered for those planning to attend college in advanced science or math fields.

Warriors were invited to participate in the State Mathematics Test given each spring. This test measured their achievement in all math fields.

The subjects offered by the math department were very helpful in aiding the students to enter the technological and scientific world of today.

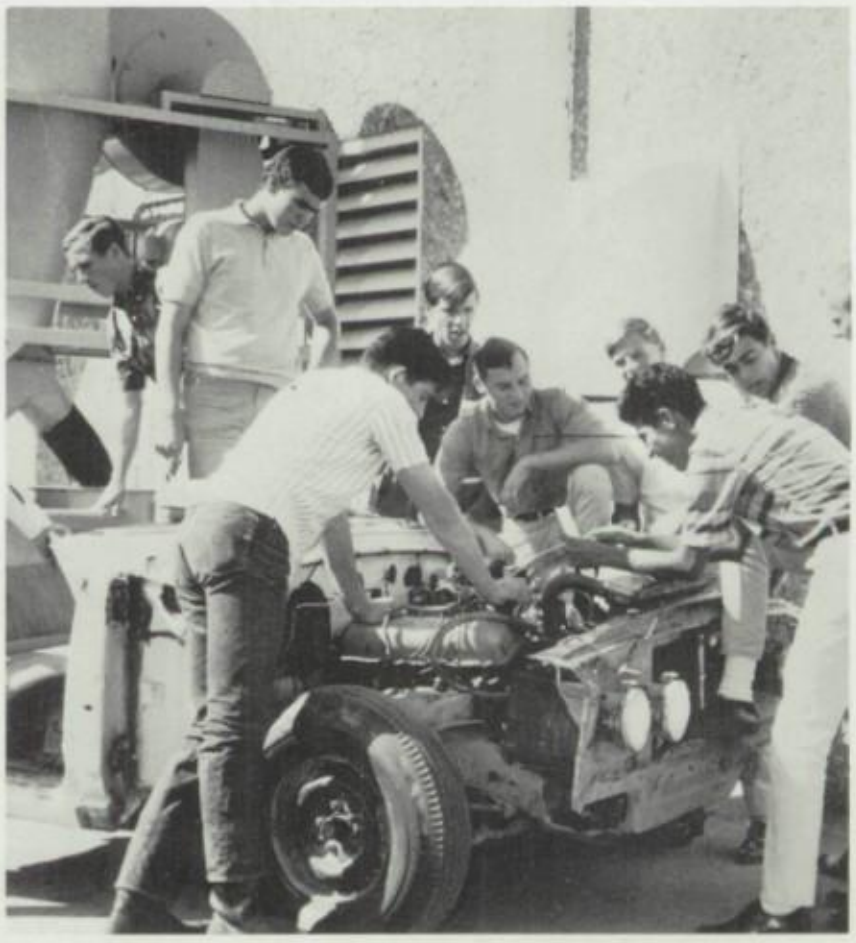
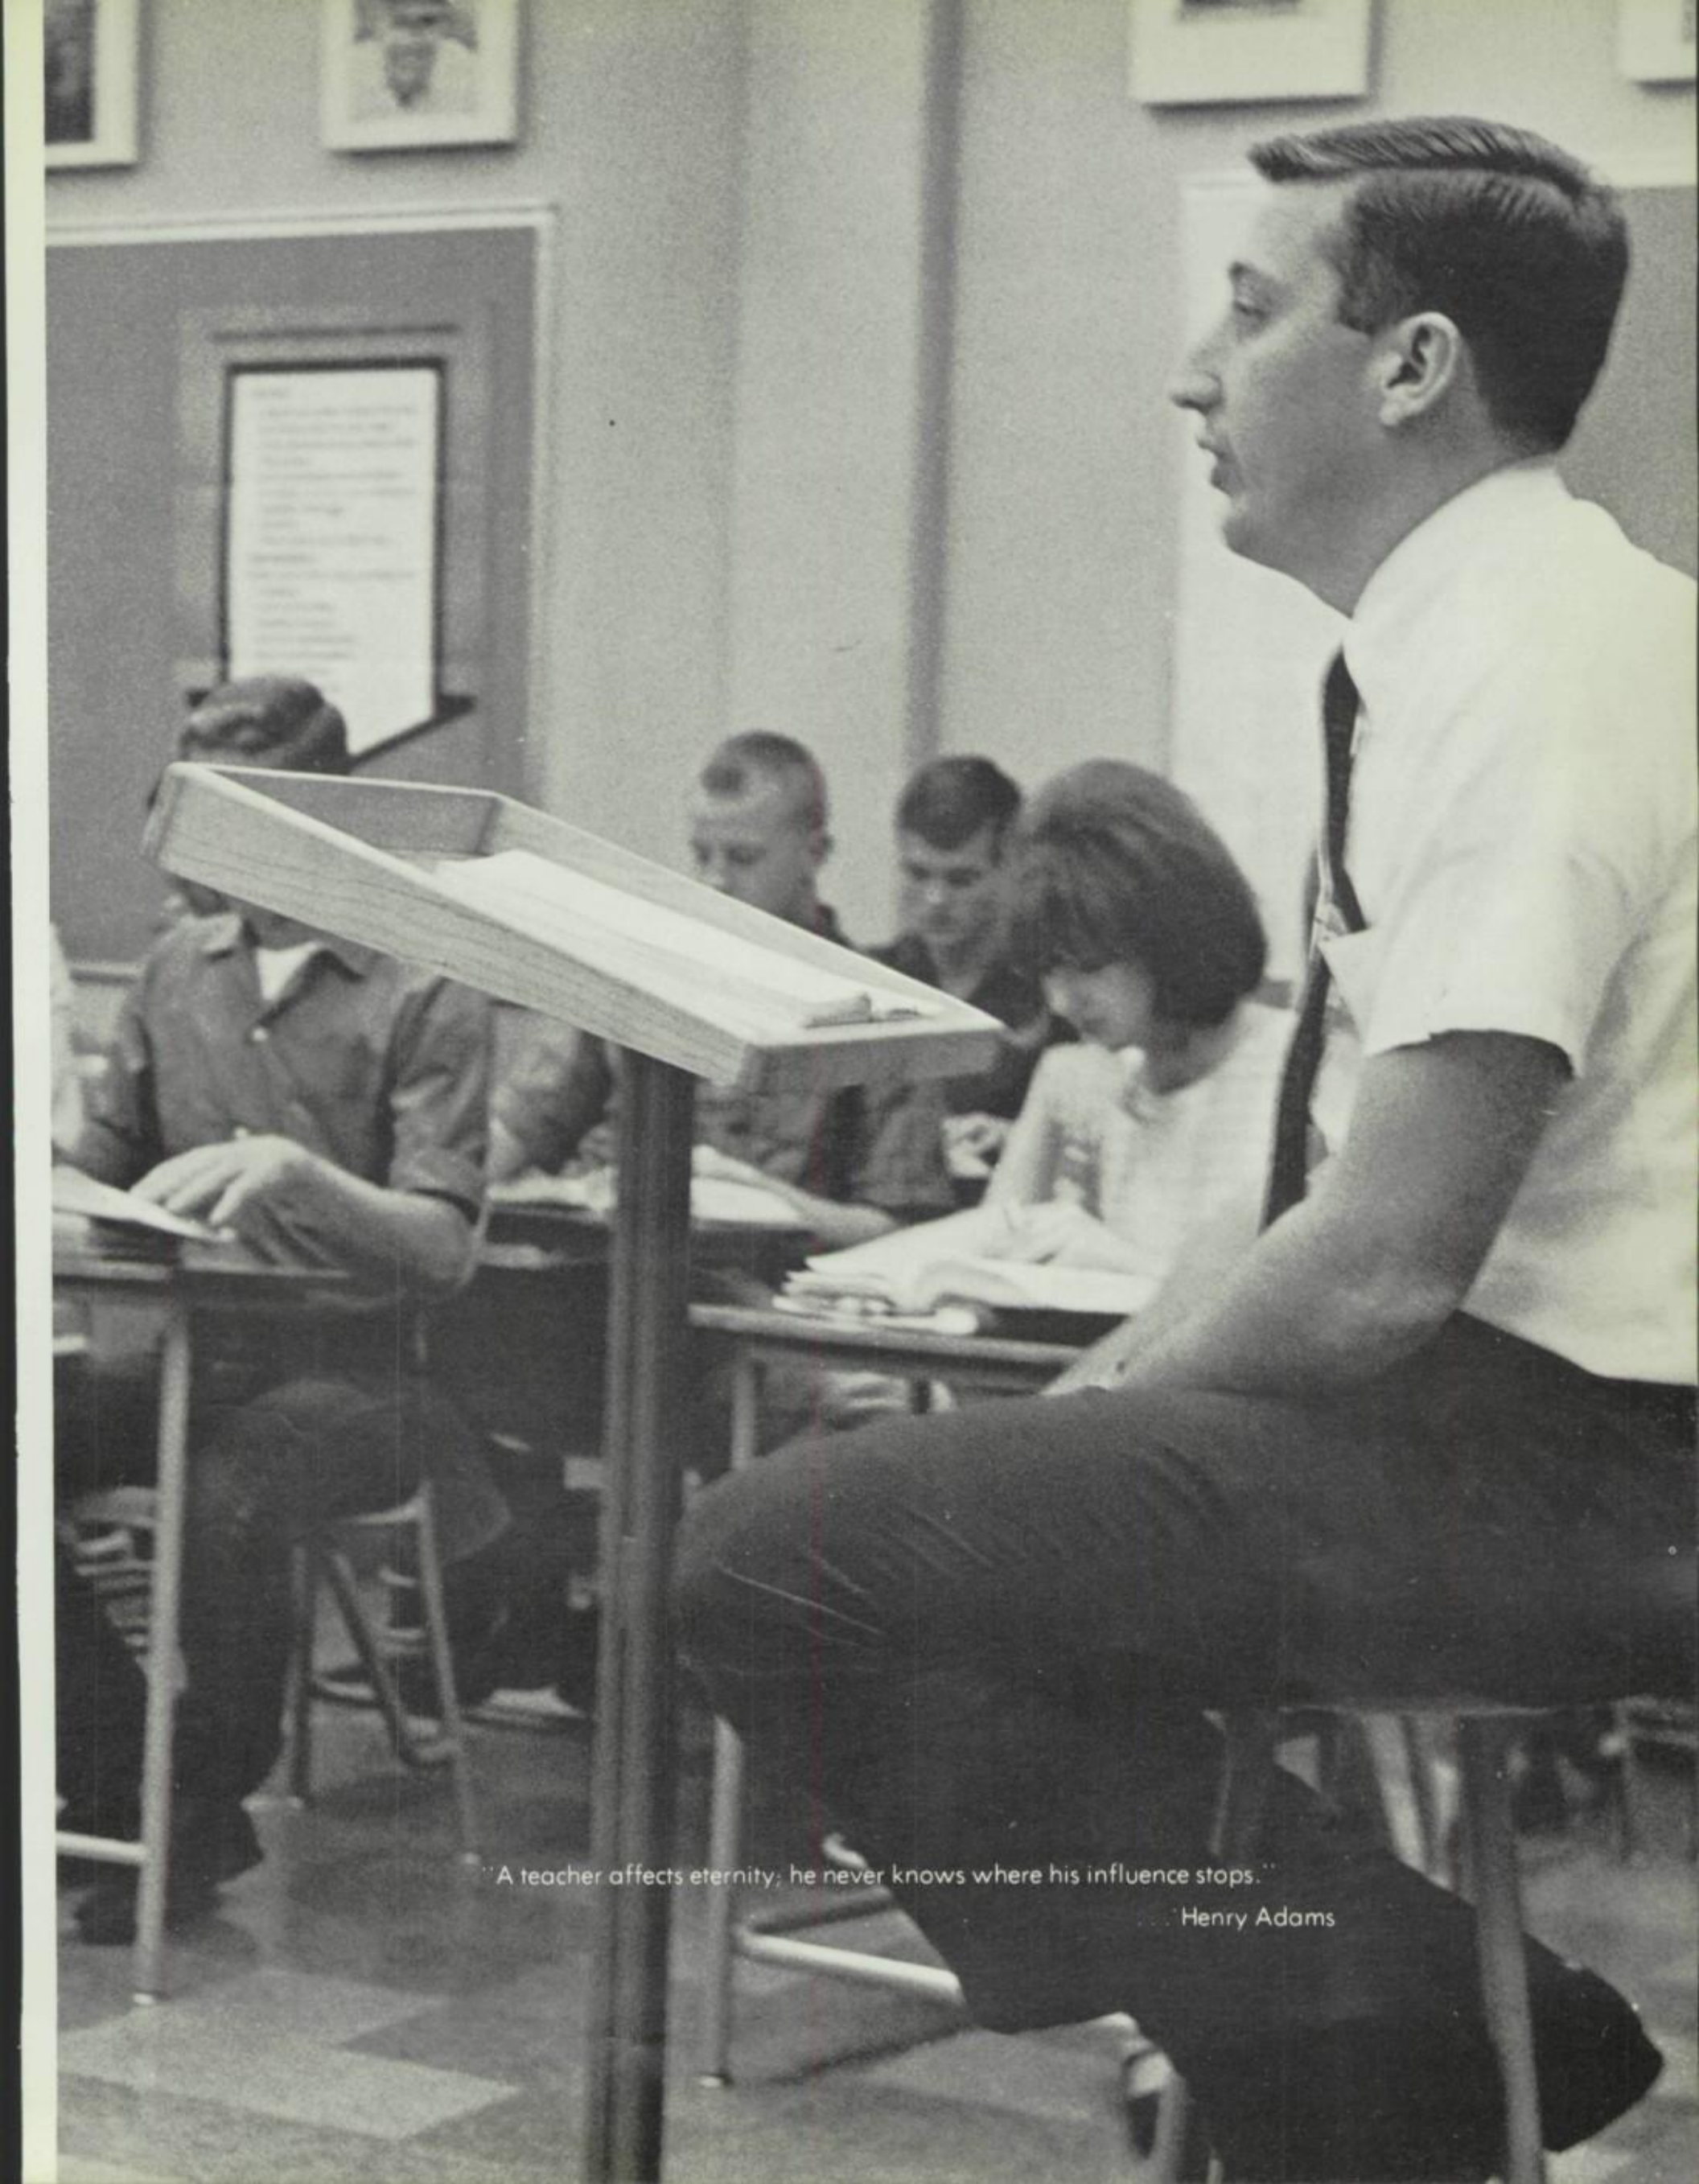
A Tribute to All Teachers

Four walls make up a room, add desks, blackboards, students and it is a classroom. Within these four walls, curiosities are roused, opinions are formed, and answers are found. The walls are those of a classroom, the curiosities, questions, opinions, and answers are those of a student. It is in this room that a youth will cultivate the thoughts and opinions that will influence his entire life.

The four walls, alone, make the room. It can't satisfy the curiosity, form the opinions, or answer the questions. The process of learning demands more than this.

The demand is satisfied by a teacher. A teacher to guide the lines of thought, introduces books and pictures to help clear and explain the thought, and encourage the student to understand and share the thought.





"A teacher affects eternity; he never knows where his influence stops."

For the first time in two years, Westwood High welcomed a new class to its campus.

On September 2, the sophomore class received an official welcome to Westwood with a Get Acquainted Party sponsored by the student council. The sophomores were introduced to the upper classmen at the Hello Party held September 9.

The next item on the agenda for the new class was the organization of the sophomore government and election of junior varsity cheerleaders. Joe Cramer ran unopposed and was elected sophomore class President. Dave Schweers was elected Vice-President and Pat Bauer won the election for class Secretary. Student body officers included Special Services Directors Barbara Tucker and Jayne Wright while Lynn Lopresti served as

The sophomore athletic teams began the sports season with a bang in cross country and football. The junior varsity football team rolled over all their opponents as they ended their season with an undefeated record.

They displayed remarkable talent and sportsmanship in the various class competition off with real enthusiasm. The many opportunities to work showed up in the Christmas hall decorations. Next came mental work in the honor roll division and the physical work of the Na'Kwaichim and Wahoo Pahoo.

In the future the sophomores hope to play a definite role in the development of Westwood and its traditions.

Holidays Provide Work for Many

Christmas was an exciting time for everyone; especially for the sophomores. The plain cold walls of hall two came alive with a wonderful glow as the sophomore class spent much time and effort to bring the Christmas spirit to the Westwood campus. Weeks were spent planning, cutting and pasting decorations which magically appeared one week before the beginning of the holiday vacation. Susan Kerr was in charge of the sophie hall decorations. She and her committee chose Charles Dickens' **A Christmas Carol** for their theme. The creating and construction of the decorations was accomplished at the National Guard Armory and at Susan's home.

In addition to decorating the hall, the sophomore class has a long tradition of presenting and decorating a tree. This tree was given to the student body at the Curtain Time Assembly. It was later transfered to the cafeteria so that all might enjoy it.

Working industriously from 3-9 p.m. sophies finally got the job done.

Jayne Wright, Janet Tolman, and Steve Huish are shown in the cafeteria placing decorations on the tree.

One of the completed panels depicting Dickens story is pictured above.

Sandy Watson is shown directing the class members in the proper way to paint signs.

Blake Leads

When the class of '68 enrolled at Westwood, we were immediately labeled as lowly underclassmen. Even though we were pressured by those in seniority, we managed to prove ourselves able Westwood Warriors!

In our willingness to better ourselves and our school we began to show the upperclassmen that we were able competitors in the race for the coveted Natani Award. This Junior Class has more potential, as seen for the past three years at Westwood; there will be no end to the honors we may receive.

We have found it necessary to think seriously about improving a few responsibilities that we, as a class at Westwood should have. We realize that more of our potential could be used to support the activities of our school and that more participation should be shown as a whole. This has been a major problem in our class, but this year the students who have co-operated with the class officers have shown it is a handicap which is possible to overcome.

A look at the Class of '68 also shows that they could, can,

to Have More Spirit and Enthusiasm

is. The Junior-Senior Prom was the big event of just one year ago. Remember how we, as proud juniors, felt when we held this affair in the Boys' Gym? By this time also, our academic goals were becoming more crystalized and we made plans for our senior classes. We started taking aptitude tests to give us an insight for our future, and though we were still juniors, we began to make tentative plans for college.

After a summer of relaxation, vacations, and work that September day finally arrived when we walked upon the campus of Westwood knowing that we were members of the graduating class. We were finally seniors! This final year passed so swiftly it hardly seemed to have a beginning or an end. Brief memories flashed through our minds; our homecoming game with queen, Louise Wright, and king, Roger Coyer, the Senior Party at the Mesa Country Club ... Remember the opening night when **South Pacific** was presented in our new auditorium? All of this is now in the past, but as we receive our diplomas the memories will always stay with us. It is the sincere desire of the Class of '67 that those classes following will uphold the traditions and high standards of Westwood High School.

During those proud moments in the very near future when the seniors reach for their diplomas, the memories of the past four years will no doubt flash through their minds.

Time passes quickly, and it seems it was only yesterday when we learned of the traditions of Westwood. Remember the awed look upon the freshmen's faces during that first bewildering day? Remember how many students arrived late for class because they became lost, and the condescending look they received from their teachers?

The following year was a big one, for this was the year the mighty Warriors captured three state championships and five division athletic titles. The first senior class graduated that year, and even though two more years of high school still faced our class, we now felt that we belonged. This was the year that we, as sophomores, attended many more of the activities at Westwood.

With the passage of time, more and more confidence became a trade mark of the Class of '67. As juniors we helped decorate the halls at Christmas time, and though our hall was not judged the best we felt that at least we had contributed to making this the great school it

and will put Westwood at the top as far as athletic participation goes. Let us first look at Westwood's various football teams. The able Apache squad, Westwood's Junior teams, showed that they were very capable of handling themselves on the 'gridiron'. Also, eleven outstanding Junior Warriors proved themselves on the Varsity team. In track and cross country able Juniors displayed their fine athletic skills as Westwood High took victory after victory in every event the year around.

There were many ways in which our officers felt they should help the Junior class. To them it was most important to help in making the past year the best ever for the class of '68 and even better for our beloved Westwood High. We are greatly looking forward to the coming school year. For we expect our Senior year to be the most outstanding of all.

As Seniors we plan to lead Westwood to even greater heights than ever before and only then can we prove ourselves worthy of being called true ... WESTWOOD WARRIORS.

Are high school seniors ready for their own checking account?

FIRST NATIONAL BANK thinks so!

Today, high school seniors have developed a sense of responsibility that includes a desire to manage their own financial affairs.

To encourage this desire for sound money management First National suggests you inquire about an inexpensive Custom Checking Account at any office of the bank where you come first.

If you plan on attending college in Arizona, be sure to ask about First National's free college checks and checkbook covers.

CONGRATULATIONS TO THE LEADERS OF TOMORROW
FROM THE CITY OF MESA

A responsible citizen is an informed citizen. For your information one of the largest most essential businesses in this area is your municipally-owned gas, water and electric systems. The citizens own it, and it is locally managed to serve you. With local ownership, control, and management you and your neighbor receive all the "dividends" from your municipally-owned systems—dividends in the form of better service reasonable rates, and increasing ownership of a growing asset.

On March 18, 1966, twenty eager students started laying out ideas for the 1967 **Chieftain.** The previous pages have those ideas made into reality. A tremendous amount of work, worry, and fun have been put into this book. It is at this time that we would like to thank all the people who made the 1967 **Chieftain** possible . . .

Cathy and Marlene—how you ever survived all that writing, we'll never know. You have done an excellent job on all the copy and we really appreciate your patience . . .

Carol, Terry and Susan—your contribution to activities has been exceptional. Without your talent and willingness to work, the activities section could never have been so great.

Linda—keeping track of the business end of the yearbook required hard work and patience. Thanks . . .

Candy and Diane—your work in reporting scores, standings and exciting highlights has made the sports section outstanding. Karen—thanks for filling in whenever necessary. You were a great help . . .

Judy and Susan—your hard work on the faculty section has been greatly appreciated. You've done a great job . . .

Susan and Denna—keeping track of the pictures in the senior section was a task which required enormous effort. You did an exceptional job . . .

Nancy and Carol—the fine appearance of the Honors and Government sections can be attributed to your hard work. It was greatly appreciated . . .

Margene and Fred—the cover of the **Chieftain** will remain unsurpassed throughout the years because of your creative imaginations. You did a marvelous job . . .

Richard—It's been a groove. Thanks for all your help and for your work on the sports section . . .

Fourth Period—thank you for your work on the sophomore and junior sections, the index, and advertising . . .

Mr. Donovan—we would especially like to thank you for your expert advice concerning the problems of comprising the **Chieftain.** Without your help this book would never have been possible. Thanks again . .

Charlie—
Well we made it through
Vannie's class and the rest of
Southwest History. Well you're going
on to bigger and better things, So
Good luck and I hope you
do well in the future.
See ya

Chuck,
It was unbelievable all the things we did this year in S.S. and at the Dance Concert when Kay fell down, and when Heartless Arless would try to get us to be quiet. Just think man two days and we're free to do what we want to do. I've got a funny feeling that on the night of Graduation neither one of us will be able to recognize each other when we are standing face to face if you know what I mean. Well Good Luck in all you do and be a good little Boy and don't get into any trouble. Best Wishes

Chuck
You are a nice guy. You will make a good football player at M.C.C. I'm glad I got a chance knowing you. Keep your muscles tight. Have fun in the Summer. God Bless you.
Roger Coyle

Dear Charlie,

I to harder to write to you than it would be anyone else. For as long as I've known you, we've been through more experiences than seem possible. Some of them (like the desert road & the flat tires) were pretty horrible at the time, but they will make wonderful memories for the future. A wonderful person & good friend. I hope we can always be very good friends. I won't see you for a while, but I hope when I come back you are hard at work at football practice.

Your friend always,
Lucille

Charles,

I wish I had known you in '67! We would have had so much fun! And I would like those other girls! I guess it was for the best though, but I certainly was unhappy

Love,
